

WHO WE ARE

Located in the vibrant city of Battambang, MISOTA specializes in transforming locally sourced tropical fruits into delectable and nutritious dried fruit snacks. Founded in 2017 by Cambodian entrepreneurs Mr. TAN Michel and Mrs. CHHUY Sophie, the company utilizes a variety of local agricultural products, such as mangoes, pineapples, Pursat oranges, mandarins, bananas, longan, papaya, dragon fruits, and cashew nuts. MISOTA is committed to producing snacks that not only deliver exceptional flavor but also meet rigorous international food safety and quality standards, including HACCP, Halal, Kosher, and BRCGS certifications.
